

**HOLMES CATTLE COMPANY
FABULOUS FALL FLING VOL. III
OCTOBER 6, 2018**

Lot 12 • Holmes Back in Black 7908 Reg. 19173078

This is the calf we have all been waiting for! Kate is done showing and it is quite possibly the best steer we have ever raised. His maternal brothers were steers of the year and class winners at the NJAS! He is an April son of Penners Double Black! He is so big topped and big butted as well as super hairy! Kate is done showing or he wouldn't be for sale!

Lot 14 • Holmes Geneviere • Reg.

Her is a March One in the Chamber daughter that would work as a Market heifer or keep her as a breeding heifer. She is a gem to work with and comes from a first calf heifer who did an awesome job. Look her up for your club calf needs.
